

Wootton Upper School Student Leadership

Job Description

Environmental Ambassador

You will look at creating awareness, consciousness, and action on reducing harm to our planet and identifying potential ways our school can be more environmentally friendly.

In this role you will:

- Work with staff to see what can be changed to improve the schools' policies.
- Develop creative ideas to improve the environment through to implementation.
- Work to promote the work of the environmental group by actively sharing your achievements with your peers, teachers, parents and the wider community.

Personal qualities required for this role:

- Passionate about making a positive environmental change in the community
- Willing to give up their own time for meetings, publicity and planning
- The ability to think creatively about overcoming difficulties

Responsible to: TBC
