

WOOTTON ACADEMY TRUST

Wednesday 1 July 2020

Dear BTEC students

We hope that all of you are keeping well.

A number of you have been asking staff for details about the process for calculating the grades for your BTEC qualification. We appreciate that it has been a very unsettling time and that many of you were understandably anxious about the consequences of the cancellation of assessments.

To help you to understand the process BTEC have created a [message to BTEC students](#) who are due a calculated result this summer, to help explain how this will work and what has been involved.

They have also created a set of [frequently asked questions and answers](#) for you.

BTEC will be updating the college and school and yourselves, in the run up to results to ensure that everyone has the information they need.

If for any reason the integrated links above do not work please follow the links below to learn more.

Stay safe and take care and hopefully any concerns you may have, will soon diminish.

Best wishes

Mrs Sally Ciampa and the BTEC team
