

Dear Parents and Carers of Year 9 and 10,

**Blended learning in the week beginning 4 January 2021**

We want to ensure that your child maintains their learning in this week, once they have had an enjoyable and restful Christmas break. Below outlines how we will do this.

**Monday 4 January:**

All year 9 and 10 pupils will be set year specific work on ShowMyHomework.

There will be two assemblies, one for each year group, on Teams. We expect your child to join that assembly at 10.40am. This will welcome them back to school, but is planned so that we can check that all our pupils can access live learning. ‘How to’ guides can be found under the [Learning 2020](#) tab on our school website. If they have difficulties at that point they can access support by emailing [it@wootton.beds.sch.uk](mailto:it@wootton.beds.sch.uk)

**Tuesday 5 – Friday 8 January:**

Your child will be set work for each lesson they have via ShowMyHomework. They should log in, complete the work and submit work as requested by their teacher.

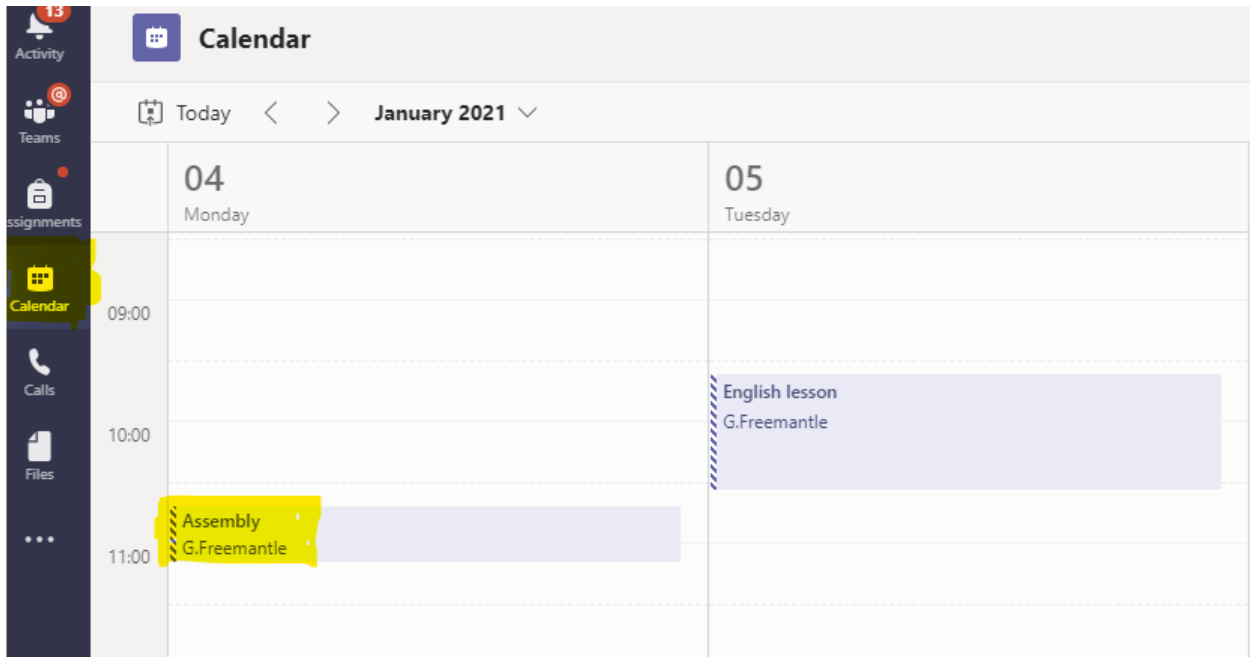

Live lessons will be delivered via Teams. Please see the timetable for these lessons below.

Year 10							
Week 2		1	2	Reg	3	4	5
		08:35	09:35	10:40	11:15	12:15	13:35
Mon	North			Assembly			
	South						
Tue	North	English					Maths
	South		Option F		Option D		
Wed	North				Option C		
	South	Option B	Maths				
Thu	North				Science		
	South	Option A					Science
Fri	North		Option E				
	South	BTEC Sport / GCSE RS			English		

Year 9											
Week 2	1		2		Reg	3		4		5	
		08:35	09:35	10:40	11:15	12:15	13:35				
Mon	North										
	South			Assembly							
Tue	North									History	
	South		English (all groups)							Option E	
Wed	North	Science						Maths			
	South		Option D							Science	
Thu	North		English (group 2,4,5)			English (groups 1,3,6)				Option C	
	South					Computing					
Fri	North	Option A				Computing					
	South	Maths				History					

To access the live lessons, students will need to go onto Microsoft Teams using their school email address.

If they then click on **Calendar** on the left-hand side their live lessons should be accessible via this screen.

I know you will be worried about ensuring your child keeps learning. The plan outlined above allows your child to learn new ideas (via Teams) as well as practice using knowledge and skills (via ShowMyHomework) and reinforce their learning.

We look forward to your child returning to school, and of course will keep you updated.

Kind regards

A handwritten signature in black ink, appearing to read 'CMCMORN'.

Mrs McMorn

Head of School
