We are committed to equality and diversity and therefore, are accepting of transgender pupils and that exceptions (with prior written agreement from the school) can be made to the uniform policy to accommodate these pupils. Families with gender dysphoric children should write to the Head of School to advise him/her of the situation. Gender dysphoria is a condition where a person experiences a mismatch between their biological sex and gender identity. It is not the same as transvestism or cross-dressing and is not related to sexual orientation. People with the condition may identify as heterosexual, gay, lesbian, bisexual or asexual.
