Design Technology and Engineering Technician

Hours: 35 hours per week, term-time only (including 5 training days)

Salary: Level 3, Point 5-8, £15,756.39 - £16,720.22 pro-rated (actual salary) per annum

We are looking for a Design Technology & Engineering technician to join the Trust as soon as possible. You will be enthusiastic about Design Technology and Engineering, and be able to work as part of a team. A willingness to learn is important and relevant training will be provided.

The post holder will:

- Ensure Design Technology and Engineering workshops and the equipment in them are safe environments for pupils and staff to use, carrying out checks and maintaining machinery and tools.
- Provide support to teachers through the preparation of resources and materials required in Design Technology and Engineering lessons.
- Provide support to pupils in practical activities.

This is an opportunity for the right person to play a pivotal and crucial role in supporting this forward thinking and growing department to make a real difference to the future life chances of our pupils.

A message from the Design Technology and Engineering Team

Thank you for your interest in this role.

We want our new technician to be enthusiastic and keen to help our pupils make great progress, ensuring that the materials and equipment they need are available in a timely manner.

We need our technician to have good communication skills as well as having great attention to detail. Most of all, we want our technician to be a team player who:

- *shares our commitment to provide the best possible learning experiences for all pupils;*
- *works to improve this fantastic area of the curriculum to benefit all our learners;*
- *makes suggestions when they feel our collaborative working environment could be improved.*

Closing Date: 09:00 on Tuesday 5th July 2022

Selection Process will be held week commencing 11th July 2022.
