Dear Student,

Re: Connolly Foundation Award – Discretionary Award

Wootton Academy Trust has been invited to partner with a local charity, the Connolly Foundation. The Foundation runs a range of activities including a bursary award scheme for sixth form students with the aim of offering financial support for their next steps.

There are no requirements on subjects studied or on grades achieved in the qualifications and students do not need to be going into further education. The award is worth up to £500 per year. Successful applicants not attending University would receive one payment only. Students going onto University can apply for further awards in years 2 and 3 of their degree course.

We would like to invite you to submit an application to be considered for this award. The foundation’s Discretionary Award Scheme enables Kimberley College to nominate **six students** from those who apply. All applications will be considered equally and we will consider a variety of factors when shortlisting an application to send to the Connolly Foundation.

I have provided information below about the timeline and application process. Further information/guidance will also be provided in a presentation which will be uploaded to Show My Homework and our website today.

We are very happy to be able to offer this fantastic opportunity to you and hope to receive an application from you soon. If you do intend on making an application please do let me know so that I can offer on-going support and begin to compile your college reference. If you decide against making an application I would also appreciate a communication from you to inform me of your decision.

If you have any further questions at this time, please do not hesitate to contact me at yashby@wootton.beds.sch.uk.

Yours sincerely,

Yvonne Ashby
Head of Careers and Connolly Foundation Coordinator
