

Year 9	Autumn Term 1							
	30 Aug.	6 Sept.	13 Sept.	20 Sept.	27 Sept.	4 Oct.	11 Oct.	18 Oct.
Art	During the first half term students will spend time considering what Art is and why it is an important subject to study, highlighting the transferable skills that they will gain during the course. Students will be given the opportunity to research creative careers to widen their understanding of the breadth of Creative Industries available. This year students will create a portfolio of work based on the theme of 'Creepy Crawlies & fantastic Beasts'. We will begin this half term with a focus recapping observational drawing skills as a means for communication.
