

Wednesday 22nd January 2025

Dear Parents and Carers,

Due to the growing success of the reading culture at the school and the engagement in the library we have had to move to a rota system for pupils. This means each year group will have an allocated day of the week they can access the library, change books and use the space to read quietly. This means that only the listed year group has access to the library – before school, break and lunch.

This will start week beginning 20th January.

Please see the times below.

Day of the week	Year group and activities
Monday	Year 9
Tuesday	Year 10
Wednesday	Year 11
Thursday	All
Friday	All

We will review this way of working at the end of half term 3 to see if we need to make any further changes.

If your child regularly uses the library, please can you remind them that this will be happening. Pupils are able to sit in the cafe (year 11) and dining room (year 10 and 9) as well as the social area in Humanities. There are also plenty of clubs and revision sessions pupils can go to. Please see attached the Whole School Clubs and Revision Timetable. I will also be talking through this with pupils in assembly.

Yours faithfully

Anna Burnham
Deputy Head

Nicola Vincent
Librarian
