

Year 11	Spring Term 1					
	3 Jan.	10 Jan.	17 Jan.	24 Jan.	31 Jan.	7 Feb.
Art	Theme: Portraits. Students are working on their final project based on Role models, heroes & Idols. For this project student MUST cover ALL assessment objectives. They are also expected to be more independent in developing their own ideas based on research into relevant artists work.					
	<i>Homework</i>					
	Students will work on individually set homework tasks in order to meet ALL assessment criteria fully. This might be further artist research, analysis of a specific piece of artwork, an artist copy or a piece of work started in the lesson. A tick list of tasks will be provided as a guide and updated on a regular basis.					
Biology	B15 Genetics & evolution					
	<i>Homework</i>					
	Seneca Mastering Memory: B4 Organising animals & plants	WhySci: Citizen Science	Seneca Consolidation: B15 Genetics & evolution	Assessed task: B15 Genetics & evolution	Seneca Mastering Memory: B5 Communicable diseases	WhySci: Journal review
BTEC ICT	Controlled Assessment					
	<i>Homework</i>					
	Controlled Assessment					
Chemistry	C4 Chemical calculations					
	<i>Homework</i>					
	Seneca Mastering Memory: C13 The Earth's atmosphere	WhySci: Citizen Science	Seneca Consolidation: C4 Chemical calculations	Assessed task: C4 Chemical calculations	Seneca Mastering Memory: C10 Organic reactions	WhySci: Journal review

Child Development	Health and Well-being for Child Development					
	<i>Homework - exam questions</i>					
	Completion of non-examined assessment Revision of theory content					
Computer Science Programming	Unit 7 - Legal, Ethical & Environmental impact Unit 2B - Programming (Procedures and functions, Errors and testing, Classification of programming languages)					
	<i>Homework</i>					
	Revision for mocks	None	Trace tables Homework exercises 1	Test & Track - Topic 8: Quizzes 1 - 6	Trace tables Homework exercises 2	Test & Track - Topic 8: Quizzes 7 - 12
Dance	Creating Choreography Pieces					
	<i>Homework</i>					
	Identifying Choreographic Devices	Choreography Programme Note		Six Mark Choreography Question		
Drama	Component 3 - scripted performances. Working collaboratively to prepare their extract for performance as part of their GCSE performance exam.					
	<i>Homework</i>					
	Students will be expected to learn lines, create ideas and work with their group members to prepare their extract for performance.					
English	Macbeth Revision					
	<i>Homework</i>					
	Macbeth research	Macbeth research	Knowledge quiz	Macbeth revision	Macbeth revision	Macbeth revision

Food	Non-Examined Assessment Practical's: Pupils exam work		
	<i>Homework</i>		
	Completion of time plans in preparation for practical assessment	Revision of Food Science	Revision of Nutrition
French	To discuss social issues and volunteer work / healthy and unhealthy living		
	<i>Homework</i>		
	Quizlet practice and Translation	Write answers on healthy and unhealthy lifestyles	Write answers on healthy and unhealthy lifestyles. SENECA and Quizlet homework.
Geography	Revision of Living World, followed by Resource Management, followed by Coasts		
	<i>Homework</i>		
	Assessment Revision	Rivers revision	
Graphics	Typography: Developing a wide range of final outcomes based on a theme.		
	<i>Homework</i>		
	Choice of independent homework tasks	Development of a range of independent homework tasks	Development of a range of independent homework tasks
History	Weimar and Nazi Germany: 1918-39		
	<i>Homework</i>		
	Revision for assessment	Revision of Cold War Topic 1	Revision of Cold War Topic 2

Maths Higher	Geometry 7 - topics to be covered are proof using vectors and area and perimeter of segments as well as a review of Geometry 1-6. Algebra 9 - topics to be covered are quadratic inequalities and expanding triple brackets as well as a review of Algebra 1-8		
	<i>Homework</i>		
	Homework will be used to consolidate learning from lesson, Quiz ReQuiz to check understanding of content covered, centralised mathswatch assignment to track progress and identify areas of weakness and practice GCSE exam papers.		
Maths Crossover	Review of Number 1-4 (all number work from the GCSE specification) Review of Algebra 1-5 (all algebra work from the GCSE specification)		
	<i>Homework</i>		
	Homework will be used to consolidate learning from lesson, Quiz ReQuiz to check understanding of content covered, centralised mathswatch assignment to track progress and identify areas of weakness and practice GCSE exam papers.		
Maths Foundation	Probability & Statistics 3 - topics to be covered are tree diagrams as well as a review of Probability & Statistics 1 & 2. Algebra 5 - topics to be covered are non-linear sequences and equation of a straight line as well as a review of Algebra 1-4.		
	<i>Homework</i>		
	Homework will be used to consolidate learning from lesson, Quiz ReQuiz to check understanding of content covered, centralised mathswatch assignment to track progress and identify areas of weakness and practice GCSE exam papers.		
Media Studies	COMPONENT 2 – Review own progress and development of skills and practices Students must track their progress during this component, reflecting on their development of skills and techniques in workshops through to the application of pre-production, production and post-production processes and practices. Students will use a skills audit to highlight strengths and areas for improvement, which should be used to set future targets.		
	<i>Homework</i>		
	Complete the pre-production part of the production log.	Log your clips and complete the production part of production log.	Complete the post-production part of production log.
Music	Students will concentrate on revising the areas of study and practicing aural skills in preparation for the listening paper.		
	<i>Homework</i>		
	Assessment revision	AOS2 and AOS3 Revision	AOS4 and AOS1 Revision

PE - Core	Volleyball, Futsal, OAA, Table Tennis, Weights, Alternate Games					
PE - Qual	Unit 3 assignment 3 and 4					
	<i>Homework</i>					
	Unit 1 Revision	Tue 11th Jan - Unit 1 Mock Paper	Unit 3 Assignment 3 Resubmissions	Unit 3 Assignment 3 Resubmissions	Unit 3 Assignment 4	Unit 3 Assignment 4
Physics	P14 Light P15 Electromagnetism					
	Seneca Mastering Memory: P4 Electric circuits	WhySci: Citizen Science	Seneca Consolidation: P14 Light	Assessed task: P14 Light	Seneca Mastering Memory: P5 Electricity in the home	WhySci: Journal review
Product Design	NEA					
	<i>Homework</i>					
	Exam questions and revision tasks		Exam questions and revision tasks		Exam questions and revision tasks	
PSHE	Start of RSE and self checks	Family Life	Children and emotions	Pressure to have sex	Moving forward	Contraception
RE / Philosophy	Religion, human rights and social justice					
	<i>Homework</i>					
	Oak National Academy lesson		5 mark exam question		12 mark exam question	

Combined Science	B13 Reproduction B15 Genetics & Evolution P9 Motion P10 Force & motion					
	<i>Homework</i>					
	Seneca Mastering Memory: B2 Cell division	WhySci: Citizen Science	Seneca Consolidation: B13 Reproduction B15 Genetics & evolution	Assessed task: B13 Reproduction	Seneca Mastering Memory: P4 Electric circuits	WhySci: Journal review
Spanish	To discuss social issues and volunteer work / healthy and unhealthy living					
	<i>Homework</i>					
	Quizlet practice and grammar worksheet		Write answers on healthy and unhealthy lifestyles		SENECA and Quizlet homework.	
Textiles	New Project- Structure/People- Students will be researching ideas for their chosen theme, looking at the work of other designers. Then moving onto initial experimentation and evaluation					
	<i>Homework</i>					
	Research		Research		Mounting up and Evaluating experimental work
