Dear Parent/Carer

**How to find a work experience placement webinar – Wednesday 8<sup>th</sup> October**

Work Experience week – 29<sup>th</sup> June 2026

As mentioned in the presentations a couple of weeks ago, we know that many students and parents will be able to secure work placements with relative ease. We also know that for many, it can be a demanding process. To support students and parents in the process of finding a placement we have arranged for Dale Willis from "My Great First Job" to deliver a webinar on "How to find a great work experience place".

**The details for the webinar are as follows:**

Date **Wednesday 8<sup>th</sup> October**

Time **7pm – 8pm**

Place **Online via Zoom**

If you are unable to attend, please still register for the webinar. This will allow us to provide a recording for you after the event.

You may find it very useful to visit [www.mygreatfirstjob.com/](http://www.mygreatfirstjob.com/) and look at the other resources and free webinars available in coming months.

In addition, please be reminded that it is very easy for students to add their work placement details to Unifrog via the Placement tool:
