

Year 11	Autumn Term 2						
	1 Nov.	8 Nov.	15 Nov.	22 Nov.	29 Nov.	6 Dec.	13 Dec.
Art	Portraits: Role Models, Heroes & Idols.						
	Homework						
	Research & gather images of Role Models, Heroes & Idols.		Draw a Role Model, Hero or Idol using own choice of media		Research Artists to aid the development of own ideas		Catch-up: Complete unfinished work & present work in art
Biology	B13 Reproduction B14 Variation & Evolution						
	Homework						
	WhySci task: Black history month - Scientist factfile	Seneca consolidation task: Reproduction	Assessed homework: Reproduction	Seneca mastering memory task: B3 Organisation & the digestive system	WhySci task: Cultural celebration - science decoration competition	Seneca consolidation task: Variation & evolution	Assessed homework: Variation & evolution
Chemistry	C5 Chemical changes C7 Energy changes						
	Homework						
	WhySci task: Black history month - Scientist factfile	Seneca consolidation task: C5 Chemical changes	Assessed homework: C5 chemical changes	Seneca mastering memory task: C9 Crude oil & fuels	WhySci task: Cultural celebration - science decoration competition	Seneca consolidation task: Energy changes	Assessed homework: Energy changes
Child Development	NEA - Equipment and Nutrition birth to five years / Factors affecting decisions to have children, reproduction and antenatal care						
	Homework - exam questions						
	Pupils will continue to complete NEA on equipment and nutrition. will revise the following topics: Factors affecting the decision to have children. Reproduction, conception and antenatal care						Pupils
Computer Science	Topic Unit 6: Cyber security						
	Homework						
	Test&Track Topic 16 - Cyber Security: Quiz 1,2,3,4		Test&Track Topic 16 - Cyber Security: Quiz 5,6,7,8		Test&Track Topic 16 - Cyber Security: 10 practice test		Students write the final test for Unit 6
Dance	Thorough research of chosen stimulus and choreography plan.		Aural setting research.		Section B - 6 mark question.		Writing a programme note for choreography piece.
	Rehearsal and performance of GCSE Component 2: Devising. Completion of coursework for devising unit. Live Theatre recap - Broke by The Paper Birds						
Drama	Homework						
	Homework tasks will support the preparation and performance of the Devising component, along with specific tasks to support with the coursework aspect of this component.						
English	BLOOD BROTHERS (4 WEEKS) A CHRISTMAS CAROL REVISION (3 WEEKS)						
	Homework						
	CONTEXT	MICKEY INFERENCE	QUOTATIONS EXERCISE	Text	KNOWLEDGE QUIZ	ESSAY PREP	Text
Food	NEA / Revision of Food Hygiene and Food Source and Sustainability						
	Homework						
	NEA - pupils will complete practicals based on their own research lessons will focus on revision of the following: Food Hygiene, Eggs and Food Source and Sustainability						Other
French	Post 16 choices/future career/celebrations in French speaking countries						
	Homework						
	Learning school / family answers to prepare for Speaking mock exam		Learning vocabulary and grammar worksheet on Future tense		Prepare answers: Post 16 and future careers		Celebrations in French speaking countries- Christmas
Geography	Complete Hazards unit. Introduction to Economic Changing World. Retrieval practice for Living World and Resource Management						
	Homework						
	Tectonics revision	Homework will continue to review and consolidate learning across the GCSE specification, including exam technique and practice					
Graphics	Typography						
	Homework						
	Cropped Typography	Creative lettering design		Positive and negative space pattern typography design		Choice of creative Independent homework tasks	
History	Weimar and Nazi Germany						
	Homework						

Year 11	Autumn Term 2						
	1 Nov.	8 Nov.	15 Nov.	22 Nov.	29 Nov.	6 Dec.	13 Dec.
	Q2 - Weimar Culture		Cold War Topic 2		Elizabeth Topic 2		Cold War Topic 3
Maths Higher	Number 3 - Review of Number 1 & 2 covered in years 9 /10 and limits of accuracy and bounds. Review Ratio & Proportion 1-4 covered in years 9/10 and exponential growth.						Ratio,Proportion 5 -
	Homework						
Homework will be used to consolidate learning from lesson, Quiz ReQuiz to check understanding of content covered, centralised mathswatch assignment to track progress and identify areas of weakness and practice GCSE exam papers.							
Maths Crossover	Geometry 7 - Review of Geometry 1-6 covered in years 9 and 10 and similar shapes (area and volume). Ratio & Proportion 5 - Review of Ratio & Proportion 1-4 covered in years 9 and 10 and ratio with algebra.						
	Homework						
Homework will be used to consolidate learning from lesson, Quiz ReQuiz to check understanding of content covered, centralised mathswatch assignment to track progress and identify areas of weakness and practice GCSE exam papers.							
Maths Foundation	Number 5 - Review of Number 1-4 covered in years 9 and 10 and arithmetic with fractions, mixed numbers and decimals. Review of Geometry 1-5 covered in years 9 and 10 and bearings and cones, spheres and cylinders.					Geometry 6 -	
	Homework						
Homework will be used to consolidate learning from lesson, Quiz ReQuiz to check understanding of content covered, centralised mathswatch assignment to track progress and identify areas of weakness and practice GCSE exam papers.							
Media Studies	COMPONENT 2 – Apply media production skills and techniques Students will apply relevant media production skills and techniques through the following media practices: pre-production, production and post-production when reworking extracts of an existing media products.						Students
	Homework						
Complete your Skills Portfolio by the deadline date.		Complete your pre-production for your LAB Sequence		Prepare for filming by sourcing props and organising locations.			
Music	AREA OF STUDY 1: This term students will focus on completing thier performance and compositon coursework.						AREA OF STUDY 3: Students will investigate the Rhythms of the World module, learning about music from India, Eastern Europe, The Carribean and South America.
	Homework						
Listening questions for film		Listening questions for film		Listening questions for film		Listening questions for film	
PE - Core	Futsal, Basketball, Fitness, Badminton						
PE - Qual	Unit 3 and unit 6 assignments						
	Homework						
Unit 3, Assignment 2 Resubmissions. Start 6 week fitness plan - Assignment 3		6 week fitness plan - Assignment 3		6 week fitness plan - Assignment 3		Practical / Assignment Resubmissions	
Physics	P12 Wave properties P13 Electromagnetic waves						
	Homework						
WhySci task: Black history month - Scientist factfile	Seneca consolidation task: Wave properties	Assessed homework: Wave properties	Seneca mastering memory task: P3 Energy resources	WhySci task: Cultural celebration - science decoration competition	Seneca consolidation task: Electromagnetic waves	Assessed homework: Electromagnetic waves	
Product Design	Working on NEA						
	Homework						
Section C generating design ideas - client feedback		Section D developing design ideas - materials and processes investigation		Section D developing design ideas - Client feedback on modified ideas		Section E - plan of manufacture	
Managing stress and Managing Depression	Unhealthy Coping Strategies and Keeping Healthy	Keeping Healthy 2 and First Aid	First Aid and Personal Safety	Keeping Healthy 3 and Addiction	Keeping your friends safe	Self Checks	
RE / Philosophy	Religion, peace and conflict/ Religion, crime and punishment						
	Homework						
SMHW knowledge recall quiz		Research a war and apply the Just war criteria		4 mark exam question		Oak National Acadmey - Revision lesson	
Combined Science	B18 Biodiversity & ecosystems B14 Variation & evolution C6 Electrolysis P8 Forces in balance						
	Homework						
WhySci task: Black history month - Scientist factfile	Seneca consolidation task: Biodiversity & ecosystems, Electrolysis	Assessed homework: Adaptations, interdependence & competition	Seneca mastering memory task: P1 Conservation & dissipation of energy	WhySci task: Cultural celebration - science decoration competition	Seneca consolidation task: Forces in balance, variation & evolution	Assessed homework: Forces in balance	
Post 16 choices/future career/celebrations in Spanish speaking countries							

Year 11	Autumn Term 2						
	1 Nov.	8 Nov.	15 Nov.	22 Nov.	29 Nov.	6 Dec.	13 Dec.
Spanish	<i>Homework</i>						
	Learning school / family answers to prepare for Speaking mock exam	Learning vocabulary and grammar worksheet on Future tense			Prepare answers: Post 16 and future careers		Celebrations in Spanish speaking countries-Christmas
Textiles	Working on completion of Project 1 for NEA						
	<i>Homework</i>						
	Mounting up work into portfolio and evaluating	Mounting up work into portfolio and evaluating			Assessed: Personal response evaluation		Individual piece of HW to complete
